

Reception for Drs. Henig and Blaha Sept. 23

A reception is being planned for September 23, 1984 in honor of Doctors B.E. Henig and Vernon Blaha who will be retiring October 1. The reception will be held at the Knights of Columbus Hall in Grayling, between 5 p.m. and 8 p.m. The public is invited for free hors d'oeuvres and refreshments.

Dr. Henig and Dr. Blaha have been in practice together in the Keyport Clinic as general surgeons for 26 years. Dr. Henig came to Grayling January 1, 1950 following completion of his residency at Harper Hospital in Detroit. Dr. Blaha came to Grayling in 1958 following his discharge from the U.S. Navy.

Both doctors have dedicated their lives to healing the sick and injured. Between them they have over 60 years practice in the area. It is with sadness we say farewell to these two fine physicians, said Sister Mary Ellen Howard, president and chief executive officer of Mercy Hospital.

Beaver Creek Pair Arrested On Marijuana Charges

Steve Moon, 26, and Carrie Moon, 22, of Beaver Creek, were arrested last week by Michigan State Police with assistance from the Crawford County Sheriff Dept. in connection with growing marijuana plants. Police discovered about 36 marijuana plants, from three inches to three feet high, growing in a small patch. The pair was charged with delivery and manufacturing of a controlled substance.

Blood Bank is Coming

There will be a Red Cross Blood Bank at the American Legion Hall Wednesday, September 26th from Noon until 6 p.m.

Please, all you wonderful Blood Donors mark your calendars now and plan to come because you are really needed.

Although the Nurses strike against the Southeastern Michigan Red Cross Chapter is over the Red Cross Blood Supply in southern Michigan - from Saginaw-Bay City down - is still far below normal.

It was at minimum levels before the strike and although all except emergency surgery was delayed and blood was brought in from other states it will be at least another 60 days before blood supply is back to normal.

Granted the problem is not ours, but the people who needed blood for surgery and were delayed, must be taken care of, and who knows, one of them could be a close relative or our best friend.

Remember, Dial-A-Ride will come and get you and take you back home for FREE if you come to give a pint of your blood! Just dial 348-5409.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 19 Sept. 84 thru 26 Sept. 84.

Firing will be in the following areas on the dates and times as indicated.

Grayling Banker Preliminary Hearing Decision Due by Judge in November

Judge Harvey Varnum is expected to rule in November on a preliminary hearing involving John Alef, Sr., a Grayling State Bank president who has taken a leave of absence.

At a preliminary hearing held Thursday, Sept. 13, in Charlevoix, a charge of forgery against Alef was dismissed by a motion of the special prosecutor Joseph Kwiatkowski.

Varnum, judge for the 90th District Court, will rule on a charge of uttering and publishing a forged document against Alef after defense attorneys and the prosecution submit final written arguments Oct. 15.

Varnum can dismiss the charge or if he determines there is probable cause a crime may have been committed, he can bind Alef over to circuit court.

Varnum also will decide on

forgery and publishing and uttering charges against Michael DiPonio, a former Grayling car dealership owner. DiPonio had been granted immunity from prosecution in exchange for

testimony, but he was not called as a witness in the preliminary hearing.

Both Alef and DiPonio were charged in connection with a \$190,000 Small Business Loan.

Grayling Man Found Dead in Woods

Thomas Rankin, 51, of Grayling, was found dead in woods about one mile north of Hargrove Lake in Maple Forest Township.

Rankin was reported missing Saturday night. He was spotted walking in the area Saturday by several national guards who told police he did not look in good health. Authorities do not suspect foul play but an autopsy was scheduled for Tuesday to determine the cause of death.

Members of the Crawford County Sheriff Dept. searched the large area where he was reported walking Saturday night, Sunday, and Monday. The body was finally spotted by undersheriff Jim Parker in a plane owned and flown by Dave Frederick, the director of the Crawford County Transportation Authority.

Police dogs from Crawford, Emmet, and Antrim counties also helped in the search.

County Spends \$27,300 To Meet Jail Codes

The Crawford County Board of Commissioners approved \$27,300 in renovations to the county jail to meet regulations set by the state department of corrections.

The renovations include adding a 400-square-foot indoor exercise room to the existing jail.

The renovations also will allow a small room to be turned into a two-man cell. A security window will be placed in a holding cell and security in the visitation room will be improved.

With these renovations, a small room could also be turned in a cell to hold female prisoners. Currently the Crawford County has to board female prisoners at other jails at a high daily fee.

The plans include making a visitation area where violent prisoners can be kept apart from visitors.

The commissioners voted 6-1 to authorize architect Don Morgridge to confer with state department of corrections officials about the plans to renovate the jail. If the department of corrections okays the plans, then the county Building Authority must approve the project.

Morgridge presented two

plans to the commissioners. One plan for \$12,500 calls for tearing down a wall to put in an indoor exercise room. Morgridge predicted this option would keep the dept. of corrections off the commissioners' backs for about two to three months.

The commissioners decided against this option instead choosing to keep the wall and room intact and convert it to another cell for

inmates. The exercise room addition can also be used for teaching educational classes for inmates, church services, and sheriff dept. training. The second renovation option also keeps visitors out of the security area.

Morgridge estimated the renovations will allow Crawford County to meet Dept. of Corrections codes for another one to one and a half years.

Camp Grayling Meeting Site Switched to GHS Auditorium

A public hearing about plans to upgrade Camp Grayling for year-round use will be held at the Grayling High School auditorium Wednesday, Sept. 19, at 7:30 p.m. instead of the Grayling Middle School gymnasium as previously announced.

Scheduled to appear are Congressman Don Albosta, Senator Carl Levin, Brig. Gen. Jerome J. Mathieu, Asst. Adjutant Gen. for Army Michigan National Guard, Colonel Ivan Gwilt, Camp Grayling Commander, and Bernie Fowler, Grayling Township Supervisor. The following issues will be discussed: full-time status of Camp Grayling; winterization and winter training; railroad spur; light infantry division; solid waste alternatives (incineration); airport equipment and law enforcement; joint law enforcement in the community, and road use conditions. The public has been urged by Congressman Albosta to attend the meeting and express their views.

Winners Remain Same After Election Recount

The winners of the August primary election remained the same after a recount of ballots last Friday, but the margin of victory in Grayling Twp. couldn't have been smaller.

The recount changed the winning tally of William Ruddy over Don Welser to 107 to 106 - a change of one vote for each man from the initial count in August of 108 to 105. Ruddy remains the winner of Republican nomination for county commissioner in District 5.

A tally of invalid ballots showed 28 votes for Ruddy and 19 votes for Welser. Invalid ballots are those thrown out for voting both parties in the primary or for other improper voting procedures.

There were also three absentee ballots in Grayling Twp. that arrived too late at the township office to count in the election. The late absentee ballots must be kept two years unopened and then destroyed. They can not be opened by officials after the election because it would

reveal the voting choice of the persons who voted absentee.

Two recounts in Lovells Twp. failed to change the vote tally. Lyle Jewell defeated George Wingeier 82-61 for township supervisor Republican nomination and

Helen Spencer defeated Walter Leibold 80-61 for township clerk Republican nomination.

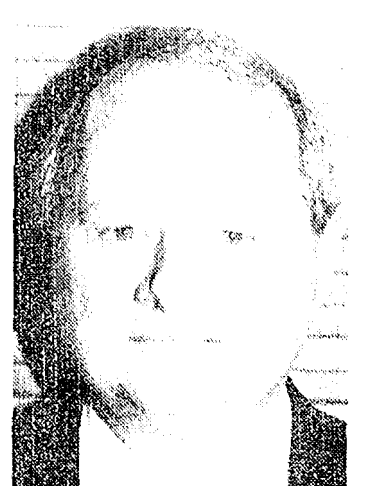

The invalid ballots in Lovells Twp. showed 25 votes for Jewell and 14 for Wingeier, and 20 for Spencer and 19 for Leibold.

Kintner Named GSB Vice-President

Gene Kintner has been named vice-president at Grayling State Bank beginning September 4.

Kintner was vice president assistant director of commercial and installment loans at 2nd National Bank at Saginaw for 15 years before being hired by Grayling State Bank.

Gene attended Akron-Fairgrove High School and graduated from Michigan State University. He attended both the Graduate School of Consumer Banking and the Central Michigan School of Banking, and he also taught installment credit

Gene Kintner

and commercial credit classes at Delta College.

Kintner and his wife Linda have four children, Kristine, Tony, Beth, and Brad.

Capital Funding Still Problem

McNamara Airport Rebounds from Financial Problems

A little more than one year ago, the Grayling McNamara Airport was \$20,000 in debt and forced to close weekends.

With combined administrative support from Crawford County, Grayling Twp., and the City of Grayling, the airport has rebounded somewhat and is currently operating within budget on a seven-day-a-week basis.

Last fall, control of the airport switched to the Crawford County Transportation Authority - a new government entity comprised of county, Grayling township, and city representatives with control over all mass transportation in Crawford County. Joe Wakeley and

Joe Meredith represent the county, Howard Guyett and Bob Chappel represent the township, and Jerry Morford represents the city. The county funds 67.9 percent of the airport's operating deficit, the township's portion is 23.3 percent, and the city's share is 8.7 percent.

The county dial-a-ride system and the airport both are controlled by the C.C.T.A.

David Frederick, C.C.T.A. director, says forming the authority has stabilized operations at the airport, but the airport still needs a source for funding of capital improvements.

"We're in a Catch-22 situation here because we are a dual-use airport," said Frederick referring to both public and military use at the airport. "Other airports receive either FAA or Department of Defense funding help for capital improvements. Because of our dual

use, both these agencies disclaim responsibility for giving us aid. The FAA, a civilian agency, says they can't help fund improvements at an airport used by the military and the military says defense funds cannot be used to support a facility with a civilian function."

Frederick, Jeannette Kitchen, and Bernie Fowler discussed the problem with Senator Carl Levin when he was here in August.

Since that time there has been contact between Senator Levin's staff and Frederick; however, no substantive progress toward the problem's resolution has been reported to date.

In spite of this lack of reported progress, Frederick indicated he remains optimistic with respect to gaining aid from Levin's office. "We have to assume that Senator Levin was sincere when he in-

dicated that one of his primary objectives as a United States Senator was to make sure that his home state received its fair share of Federal funding. In that our request is consistent with that goal, it is logical to expect that he will provide whatever aid is necessary to rectify the absence of Federal aid situation at Grayling McNamara Airport.

The biggest problem facing the airport concerning capital improvements is snowplowing equipment and runway upkeep. The airport started last year with four old surplus trucks and only one currently moves. Airport snowplowing trucks receive heavy use because runways must be kept clear of snow which means constant plowing as the snow comes down.

The airport's concrete runways, built by the military in

the 1940's, could also use a lot of work. Grass and weeds in expansion joints should be removed and serious flaking in sections needs to be repaired. The military, in the past, has repaired many sections of runway as part of training drills.

Currently, the three government units fund \$44,000 out of the \$114,000 total budget. Most of the remaining money comes from fuel sale revenues at the airport.

Frederick says the airport budget is bare-bones - including wages for only two employees when in the past as many as six employees have worked at one time at the Grayling airport.

Wages for an assistant airport manager and a utility man total \$23,000. Frederick pointed out there is no money in the budget for travel expenses for employees to attend training or

information seminars, only \$25 for the year under building and grounds, \$50 a year for office supplies, and no money for printing.

He said it is difficult to operate seven days a week with the airport's limited budget and staff. However, they nevertheless stay open at all scheduled times except when runway conditions force closure. The airport does also close on some holidays such as Christmas and New Year's Day.

When asked if the airport couldn't close at times during inclement weather, Frederick said: "There are occasions when the airport can and does close. However, even when the weather is relatively terrible, there are people flying that need to talk to ground personnel for information regarding wind and runway conditions. We have

From Our
Corner...

We've been sitting here for some time Sunday afternoon in the front office looking out at the people, young and old, who are taking in the open house of the Railroad Depot by the Grayling Rotary Club who have taken over the task of preserving the historical building downtown...and our problem is that in so doing, we haven't been able to come up with anything to get this turkey rolling for this week...we would have walked across but, we have been in the building, that is, a few summers ago...we just noticed out the window we should have taken the time...Irvin, the retired railroad man just came down from upstairs...had we known he was there we would have gone just to listen to the tales he must have spread to the visitors of bygone days when he traveled the tracks from Bay City to Mackinaw City, and the possible memories he told of other railroad men...

We were happy when we heard the Rotary Club had taken over the project of preserving the Depot...it dates back many years and at one time with the roundhouse in Grayling, the railroad and lumbering was the life blood of Grayling and the area...Grayling was the halfway point between Bay City and Mackinaw City and this is where the crews of the trains would change...many railroad men had homes here, while others used the bunk house on the second floor of the Depot to sleep in order to catch their train the next day either back to Bay City or to Mackinaw City...

We have always been sort of prejudice towards the railroad as our father worked about 30 years for the Michigan Central in Gaylord and we spent a lot of time around the depot there, although it was nothing like the one in Grayling...it was but one story and didn't have a bunk house and cooking facilities...

With my father working for the railroad he got a pass for his family to ride and with my mother's parents and relatives living in Iowa as a youngster I made many trips on trains...something of an experience that many people have never had...while in the army we traveled west to Seattle and San Francisco, to the south as far as Alexandria, Louisiana and east to Baltimore, plus all over the mid-west by train...we must say we enjoyed every minute of the time on the tracks...

Yes, we should have gone across the street and taken in the open house, even if it was just to listen to Irvin, possibly we could have heard enough tales of yesteryears to help finish filling this week's efforts... (did you notice, we didn't mention turkey)...after the letter to the editor, we are sort of getting gun shy...we never did like to be contradicted...especially over some silly thing...

An idle thought...if one can believe the calendar, this coming Saturday, the 22nd, is the first day of autumn...why we mention the belief is that the same calendar had Labor Day falling on the 5th instead of the 3rd...now I really don't know which day autumn really arrives, all I know is that it has been dang brisk now for the last couple weeks at night and in the morning, and with all the rain we have had lately we shouldn't have too much snow this winter...all the precipitation should be gone...just hopeful thinking...I guess...

If everything goes as planned we will be making our first trip into the Buckeye State this Thursday...going to try and find our way to Amherst to spend the weekend with T.J., Stefany and folks...everyone tells us we should have no problems, it is all expressway...our problem is the six to seven hour drive...we get tired after just driving to Traverse City...

Coach Klinger and his fighting Vikings were the only ones to keep our football spirits up over the weekend as they defeated the Cheboygan Chiefs 20-8...that's better than Go Blue did for Bo as the Huskies of Washington upended them and the Irish of Notre Dame did the same to State...the decision on the Tigers and Lions comes later on Sunday...we're planning on watching part of the Lions game on the tube, we hope they're not pussy-cats today...they were...

This about takes care of this week so we will bid T.J., Stefany and Amber goodnight, and to all of our readers have a nice week...

Bobbie Brady was made very happy on his seventh birthday when his sisters Misses Ann and Helen entertained 22 boys and girls. The affair was held at the Brady cottage at Lake Margrethe Thursday afternoon.

Ronald Wood, son of Mr. and Mrs. Earl Wood, celebrated his seventh birthday Sunday and the event was marked with a family gathering and supper party. Ronald's aunt, Margaret Failing of Bay City came for the occasion.

Mrs. Peter Robertson was very happy Saturday on the occasion of her birthday anniversary, to have several friends drop in during the afternoon and evening. Delicious refreshments were served to all who came, and the guest of honor was wished many happy returns of the day.

Lawrence "Birdie" Tebbitts, star catcher for the Detroit Tigers, has been engaged by Spike MacNeven for the winter. Mr. Tebbitts will come here some time in November and remain until the Tigers start for their southern training quarters. Mr. Tebbitts will also take interest in Grayling affairs, such as winter sports and sports in general. He is an accredited basketball referee and will probably be called on to serve. He expects also to conduct a school in baseball that will be available to all sand lotters and school teams. Everyone speaks highly of "Birdie" and says he will be an inspiration for young men.

J.E. Richards and family returned to their home in Dayton, Ohio, after a pleasant summer spent at Portage Lake. Miss Winifred Bird of Kalkaska arrived here Tuesday to accept the position as compositor in the Avalanche office. Today being Hyman Joseph's birthday he decided to spend it at the McIntyre resort at Portage Lake and what pleases him immensely, landed a fourteen pound pike measuring 40 inches.

Mr. R. Hanson is entertaining an old friend, C.B. Olivarius, of Nykebing, Denmark. Miss Johanna Henrikson left Saturday to attend the wedding of Miss Sena Sorenson at her home in Greenville. The gentleman of the contracting parties is Mr. Viggo Bovbjerg of Chicago. The wedding took place Tuesday and Miss Henrikson played the wedding march.

Wednesday occurred the marriage of Mr. Thorwald P. Peterson of this city and Miss Gertrude Ross of Vassar, at the home of the bride's parents of the latter city. Mr. Peterson is the son of Mrs. Anna Peterson and has lived here nearly all his life. At present he is the head bookkeeper for R. Hanson & Sons, and also clerk of this city. Mrs. Peterson was teacher of the sixth grade in our schools for the past three years. For the past several months, workmen have been building for Mr. Peterson a nice comfortable house on McClellan Street, where the young couple will be at home to their friends after October 1st.

The Bible Speaks

From Calvary Baptist Church

IS IT WRONG TO
PADDLE CHILDREN?

The teenage daughter of a Baptist pastor in Syracuse, NY was paddled last year for running away from home. The daughter charged him with child abuse and the court found him guilty and placed the girl in a foster home. One of our missionaries, born and raised in Grayling, recently watched as a government agent entered their home, and insisted their children undress for examination because her husband has said from the pulpit that he paddled his children when necessary. While liberal humanists do not mind killing infants inside the womb, they find paddling of children very offensive.

Rather than discuss opinions, let us read God's word on the subject. "Chasten thy son while there is hope, and let not thy soul spare for his crying," Proverbs 19:18. "Foolishness is bound in the heart of a child; but the rod of correction shall drive it far from him," Proverbs 22:15. "The rod and reproof give wisdom; but a child left to himself bringeth his mother to shame," Proverbs 29:15.

While we could multiply scriptures, it is clear that God intended all parents to discipline their children. Parents who do not practice discipline often find their child disciplined by a police officer. A paddle on the behind hurts less than a club on the head. The whole object of discipline is self-discipline. A child who learns early that he gets hurt when he does wrong, and is rewarded when he does right, soon learns to become self-disciplined. This is the goal of all discipline.

Discipline is to always be administered in love and concern. It is wrong to physically abuse a child. It is wrong to discipline a child in anger. Discipline must be consistent and in proportion to the offense. Spanking is the strongest form of punishment and should be used

only sparingly when other forms of punishment fail to bring response. "Fathers, provoke not your children to anger, lest they be discouraged." "And, ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord," Eph 6:14.

The earlier a human being learns the lesson that wrong or evil will be punished, the less punishment he will have to endure. A child disciplined early, often does not need a spanking as a teenager. The very need of spanking a teenager often implies a failure at discipline during the early formative years. The authority behind all discipline is God. Those who have not yielded to God's discipline on earth, will face eternal discipline. "Withhold not correction from thy child: for if thou beatest (spank) him with the rod, he shall not die. Thou shalt beat (spank) him with the rod, and shall deliver his soul from hell," Proverbs 23:13,14. "He that spareth his rod hateth his son: but he that loveth him chasteneth him betimes." Proverbs 13:24. Discipline is at the core of the American system, and Bible Christianity.

Given the present interest in trivia games, here's a column devoted to legal trivia gleaned from the Guinness Book of Records:

- ★ It was computed in March, 1959, that the total number of laws on Federal and State statute books in the U.S. was 1,156,644. The Illinois State Legislature only discovered in April, 1967, that in 1907 it had made the sale of cigarettes illegal and punishable by a \$100 fine for a second.
- ★ The greatest attendance at any trial was at that of Major Jesus Sosa Blanco, aged 51, for an alleged 108 murders. At one point in the 12½-hour trial (5:30 p.m. to 6 a.m., January 22-23, 1959), 17,000 people were present in the Havana Sports Palace, Cuba.
- ★ Ralph Charell, a New York network television executive, claims to have been successful in collecting for every misadventure that has damaged him. His total receipts in settlement for such complaints as poor telephone and car rental service, gas and electric overcharges, failure to deliver on time, imperfect goods, improper installation, landlord disputes, and the like, have come to \$75,591.22 as of July 24, 1973 - and he is still complaining!
- ★ The shortest valid will in the world is "Vse zene", the Czech for "All to wife", written and dated January 19, 1967, by Herr Karl Tausch of Langen, Hesse, Germany. The shortest will contested but subsequently admitted to probate in English law was the case of Thorn v Dickens in 1906. It consisted of the three words "ALL for Mother".
- ★ The longest will on record was that of Mrs. Frederica Cook (U.S.), in the early part of the century. It consisted of four bound volumes containing 95,940 words.

BY THE WAY...It is illegal for one person to own both a cat and a bird in Reed City, Michigan. Probably unwise, too!

STUDENT AID
Everyone who needs a ride to school should learn all about the Suzuki Shuttle. It goes a long way on just a little gas, and with an automatic no-shift clutch it's a real gas to ride. There's even solid state electronic ignition and self-lubricating self-adjusting chain drive that keeps upkeep down to a minimum. So take the Suzuki Shuttle to class and show people what a road scholar you are.

Room.
"I hope that area residents
will take a few minutes to
stop by and talk with my
aide if they have a problem
involving an agency of the
Federal government or if
they would like to make their
views known to me," Sena-
tor Levin said.

Area residents who are
unable to attend the con-
stituent service hours may
wish to contact Senator
Levin's regional office in
Alpena at the Kane Building,
537 Chisholm Avenue,

Boy Scouts
Troop 997
By E. Kemp
Congratulations to Jeff
Cowie for completing his
Fingerprinting Merit Badge.
Troop 997 is back in full
swing at Hanson Hills. The
first scout meeting of the
Fall season the scouts work-
ed on compass reading.
Senior patrol leader Carl
Ohsowski made a list of com-
pass readings to follow.
There were three locations
marked on the route where
Carl and patrol leaders
Kevin Kamph and Chris
Thompson were stationed.
With their compass the
scouts set off

There are an estimated 6.5 million latchkey kids in America.

Country Club Closing Party

Tickets for our closing party are going fast. Our "Fall Finale" is Sept. 29th at the Country Club. It promises to be a lot of fun. Get your "group" together and join us. Social hour from 6:00-7:00 p.m. Dinner at 7:00 p.m. followed by dancing to the music of Doug & Marcie...until 11:30 p.m. You may bring guests - a good way to show them a great time.

Tickets are \$12.00 per person - some still available at the club or from committee members. Get them as soon as possible!

Arts Council Dance Classes

Break dancing classes will be offered by the Crawford County Arts Council this fall. Beginning Saturday, September 22, an 8-week course in this popular new dance style will be held at the Arts Center in the Mini Mall for \$20. A class for elementary students begins at 10:00 a.m., followed by a class for middle school students at 11:00 a.m. High school students and adults meet at 1:00 p.m. Dancers should wear loose fitting clothing and tennis shoes to class. To register, call CCAC dance committee member Irene Pettyjohn at 348-9461.

Classes in ballet, tap, and jazz continue to meet at their regularly scheduled times. To register, call 348-9461. Several new sections of aerobic dance have been added. A regular section of this popular class will now meet on Wednesday evenings from 5:45 to 6:45. Two sections for beginning students have also been added: Mondays at 7:00-7:45 p.m. and Thursdays at 9:00-9:45 a.m. To join, simply come to one of the classes, which also meets Monday, Wednesday, and Friday mornings at 9:00-10:00; Monday evenings at 5:45-6:45, and Tuesday and Thursday evenings at 6:30-7:30.

Lovells News

By Ruth Caldwell

On Saturday, September 15, Mr. and Mrs. Jack Burden, celebrated their 25th wedding anniversary by repeating their wedding vows at the Mt. Hope Lutheran Church in Grayling. Following was a reception given by their children at the Lovells Township Hall, over 100 relatives and friends attended and extended congratulations and best wishes to Jack and Betty. Out of town guests were from Grayling, Gaylord, Big Rapids, Traverse City, Detroit, Pennsylvania, and California.

Senior Citizen day is Friday, September 21, at the town hall starting at 11:30, dinner at 12:00. The singing group from the center will entertain.

Mrs. Jonnie Erb and family visited friends in Detroit over the weekend, while there, attended the Tiger ball game.

The Cheerful Givers will meet Thursday evening, 7:30 at the club room.

Congratulations to the newlyweds, Mr. and Mrs. Kenny Bollman, (nee) Jodie Jenkins, were married on September 8th in Freeport, Illinois.

Hugh Bitters enjoyed having his brother, John and wife visit him for a few days.

Dusty Bolton, son Tom and her mother enjoyed a few days at her cabin, while here they celebrated her mothers 90th birthday.

New books at the Library. "First Among Equals" by Jeffery Archer, "Summer Harvest" by Madge Swindells, "The Outsider" by Howard Fast, "Crescent City" by Belda Plain, "Curtain Calls" by Ngaio Marsh, "Light Thickens" by Ngaio Marsh, "Ramona Quimby, Age 8" by Beverly Cleary, "Ramona The Pest" by Beverly Cleary.

Women of The Moose

We held our regular meeting on Monday, September 10th. At this time we enrolled Bonnie Poll, Cathy Beck, and Elva Waltz. We extend them a warm welcome to our chapter.

We have decided to have a box social for our project for September. It will be held at the lodge on Saturday, September 22nd at 5:00 p.m. So ladies, fix up a box lunch and come down and join in the fun.

Our business meeting was held on Sept. 17th. We have decided to start having a coffee klatch at least once a month. The first one will be held at the home of Lodi Overy on Tuesday, September 25th at 10:00 a.m., all members are welcome.

Our next meeting will be on Monday, October 1, at 7:00 p.m. We will be enrolling four new members, so let's have a great turnout.

District Court

The following persons appeared in 83rd District Court before Judge Francis L. Walsh:

Michael McKay, 21, of Grayling, demanded preliminary examination to a charge of unarmed robbery and assault with intent to do great bodily harm less than murder. Bond was set at \$20,000 for each charge.

Norman Bancroft, 19, of Roscommon, was bound over to Circuit Court on a charge of breaking and entering an occupied building. Bond was set at \$5,000 cash or surety.

Francis Millhouse, 36, of Grayling, was bound over to Circuit Court on two counts of welfare fraud. Bond was set at \$5,000 personal bond.

Robert Knepp, 22, of Grayling, plead guilty to two counts of engaging in an illegal business or unlawful enterprise. He was fined \$105 or 10 days in jail on each charge plus one year probation. He was cited April 27, 1984 following a citizen's complaint.

Marcie Grenke, 26, of Mancelona, plead guilty to a charge of disorderly person by intoxication - likely to endanger self and others. She was fined \$105 or 10 days. She was cited Aug. 7 by the sheriff dept.

To The Editor:

Shame on you, Whitey. You have just violated one of your principal rules. You printed a letter to the editor without the persons' name on it.

As to the "property owner", after 53 years in one place, you have to get to be pretty narrowminded, or else you didn't get the real meaning of my letter. I live here by choice, not necessity and am willing to take the bitter with the sweet.

I didn't say anything about the river, I merely tried to point out that the economy of this area depends to a great extent on the revenue brought in by outsiders. Furthermore, I don't intend to move out, one jungle is as good as another.

I gave my name, what is yours?

To The Editor:

We would like to express our appreciation to Larry Raymond, organizer of the Grayling Men's Bloopers League on the fine job he did this year. As organizer and announcer, Larry put in many hours this summer and fall to make sure the league ran smoothly. His colorful announcing, in particular, was enjoyed by players and fans alike.

Again, thanks to Larry Raymond for a job well done.

I would like to take this opportunity to thank you for your support of our 3rd Annual M.D.A. Golf Tournament held August 24th at the Grayling Country Club. We had 87 golfers participating this year which enabled us to pledge \$3,000.00 for Jerry's Kids.

Through efforts from merchants and business people like yourself, almost every player received a prize.

We are looking forward to our 4th tournament in 1985 to be bigger and better and hope once again we can count on your support.

Sincerely,

These Candidates are Invisible

by Richard Millman

HERE'S A QUICK quiz on Michigan civics for those who consider themselves politically aware:

Who is June Kretzshmer, and why is she important to Michigan taxpayers? Who is Gurnecindo Salas, and why should Michigan people know him? Who is Cherry Jacobus? Or how about Gary Artinian?

Well, these are all candidates for statewide political office, and Michigan voters will be called upon November 6 to choose among these four — and 12 others — who unfortunately will remain a mystery to most voters.

SURE, the big election in November will be whether Ronald Reagan and George Bush get four more years in Washington, or whether Walter Mondale and Geraldine Ferraro will be given the mantle of leadership.

Another big question is whether Carl Levin will be returned to the United States Senate, or whether Jack Lousma will be given that Senate seat.

Also, members of Congress will be selected, and so will members of the Michigan Legislature. County courthouses throughout the state all are up for grabs in November, local sheriff, prosecutor, treasurer, clerk, commissioner and other county races to be decided. Township elections also are held in November.

CHANCES ARE for President, Senate, Congress and the Legislature, most voters will be relatively well informed on the merits or demerits of the candidates.

That's probably even more true about county and township races; these are friends and neighbors, in many cases, and we know them or know someone who does know them. Usually they are not strangers.

But how about Robert Nederlander, or John Watanen, Jr., or Kathy Wilbur, or Neal Neilsen? They, too, will be on the ballot in November.

All eight of these virtual strangers are candidates for election to statewide educational positions on November 6.

And it's a shame that Michigan sticks to this system of filling these important posts — but that's the way it is.

FOR THE RECORD, here are the statewide candidates for the educational

posts as selected by recent state Democratic and Republican conventions:

For University of Michigan Regents: Robert Nederlander of Birmingham and Marjorie Lansing of Ann Arbor, Democrats. Neal Neilsen of Brighton and Veronica Smith of Grosse Ile, Republicans.

For Michigan State University Trustees: June Kretzshmer of Bayport and Dr. Charles Vincent of Detroit, Democrats. Kathy Wilbur of East Lansing and Dean Pridgeon of Montgomery, Republicans.

For Wayne State University Governors: Winifred Fraser of Northville and Denise Lewis of Detroit, Democrats. George Bashara of Detroit and Gary Artinian of Birmingham, Republicans.

For the State Board of Education: Gurnecindo Salas of East Lansing and John Watanen, Jr. of Marquette, Democrats. Cherry Jacobus of East Grand Rapids and Dorothy Beardmore of Rochester, Republicans.

ALL OF THESE are key educational jobs. The university governing bodies decide not only the educational policies of the various institutions, but also how our tax dollars will be spent by the U of M, MSU, and Wayne.

The state board of education also is important, guiding as it does the overall educational policy of the state from kindergarten through university level, and making many rules and decisions which affect local schools.

For the most part, the candidates seeking these jobs are qualified, competent, committed individuals.

BUT THEY ALSO are invisible. Only a handful of voters will be able to tell on election day how the various candidates differ in election philosophy.

For all practical purposes, the winners of these elections — and therefore, the selection of those who run the Michigan educational program — will be determined not on merit of the individual candidates and their platforms, but rather on the length and strength of presidential coattails.

A much better way would be by governor's appointment, so somebody visible could be held to account for what's going on. Now, nobody is.

G.H. S. Alumni News

Homecoming '84 was worth all the time and effort used to put it together. It was a success. Our dinner was served at 7 p.m. by the K of C's in their new quarters on Saturday, September 8. The meal was excellent and the building is an asset to our community.

As usual, reception started at 5:30 p.m. Some persons met for the first time in 50 years! That is what it is all about.

MC for the evening was Clara Atkinson Sorenson, '35. After a welcome to friends and guests, the reunion Alumni were introduced...Members of the Class of '14 were named and applauded as recognition of 70th Anniversary. None were in attendance...Helen Bauman Roblin...Matilda Foley Bishop...Edith Love Ferguson...Florence Neunfelt Foco...Else Salling Bromwell. Vera Matson Smith (recently deceased) was the last member of the Class of '19. 60th Anniversary...George Granger...Finley Klingensmith...Claribel Lovely Goss, Class of '24. 55th Anniversary...Charles Wylie...Steve Stephen...Elmer Fenton...Laura Knibbs Bertl...Lewis Konvicka, Class of '29. The Golden 50th Anniversary...Elaine McDonnell Holmgren...Grace Jones Brossard...Yvonne LaGrow Overly...Bob LaMotte...Don Kangas...Emil Kraus...Charles Taylor...Thelma Chappel Ramey...Lucy Wheeler Kneff, Class of '34. The 45th Anniversary...Fred Westerholm...Louise Feldhauser...Helen Isenhauer Feldhauser...Alberta Knibbs Wiggins...Ernie Larson Corwin...Ken Peterson...Marie Malloy McDonald...Dorothy Swanson McClain...Jack McClain, Class of '39.

All through the summer there were other reunions held. Representing their anniversaries with us were...Joyce Hoerl Kolka, '49...Nancy Sorenson Cox, '54...Diana Blaine Doremire, '59...Herluf Moshier, '64. We had a great group of our teachers with us. Teachers are why we are Alumni. We thank them...Elmer Fenton, '29...Mary Jane Joseph Knibbs, '40...Marie LaMotte Akers, '38...Katherine Funk...Joseph Stripe...Faith Stripe...Peg Milnes...Jean Peterson Gothro, '35...Bill Kinketer, '50.

Our Alumni Board Members were introduced...Acting President, Helen Feldhauser, '39...Secretary, Margaret LaMotte Balch, '31...Treasurer, George Granger, '24...Directors, Louise Feldhauser, '39...Marie Akers, '38...Lois Sorenson LaGrow, '33...Wilma Burrows LaGrow, '33...Dorothy Roberts McLeod, '33...Anna Swanson Granger, '26...Ernest Balch, '72...Clara Sorenson, '35, membership Secretary. This panel has held meetings all through the year on the second Tuesday of every month.

Our Honor Guest, Dr. Vernon B. Blaha got a standing ovation. He came from a small town, Witten, Iowa, and hopes to attend his High School reunion for the first time in May '85. His medical career started after

graduation from the University of Iowa in 1942. He interned at Harper Hospital in Detroit, Michigan, 1942-1948, before a practice in Marshalltown, Iowa, 1948-1955. He served two years in the Navy, 1955-1957 and came to Grayling in 1958. That was a good year for our community (we had our second young Doctor in our Clinic and Hospital). How fortunate we were. We learned to love him as a warm attentive family physician. He performed surgery with our complete trust. He earned the respect of his nurses and colleagues. We appreciate him for being our own Doctor Blaha for 26 years.

Elmer Fenton spoke briefly in thanks for his association with him. Dr. Blaha responded to us with thanks to Grayling. He commented on our School system, telling us to continue our support of those in authority to ensure good education for the future. He is a nice person. He and his wife, Eddie thoroughly enjoyed our evening together.

After singing our theme song "Grayling Will Shine Tonight", more sociability

and dancing completed the evening. Fred Hinkle was DJ with some good music...Bob Harrington was an able assistant in his "top hat and tails".

Continued next week.

State Program To Reduce Adult Illiteracy

Warren M. Hoyt, Executive Dir., MPA

A state plan relying heavily on 3,000 volunteer tutors to help reduce illiteracy among adults by 50 percent over five years was announced recently by State Superintendent of Public Instruction Phillip Runkel.

The Department of Education estimates about 800,000 adults have less than a ninth grade education and are considered "functionally illiterate."

Details of the plan, are being worked out by a coordinating committee, but Runkel said a key would be a partnership between public and private agencies.

Ronald Gillum of the department's Adult Extended Learning Services Division, said in several instances, adult education programs will be held at sites provided by private employers.

Gillum said the program is aimed at getting "to those individuals who for whatever reason won't go back to school." He said the system would be big enough to touch all those classified illiterates.

In 1982-83, about 60,000 persons — half of them on public assistance — attended adult basic education programs, and Gillum said the 65,000 to 70,000 expected this year could go higher with the encouragement of a new national advertising campaign to be launched later in the year.

He said he expects the program will have direct benefits on the economy, noting 4,000 of those in adult education programs in 1982-83 obtained jobs and 3,000 left the welfare rolls.

Youth Corps "Project Stepping Stone"

Private employers recently took part in Project Stepping Stone, a week-long event at the state's 29 community colleges.

The project is aimed at helping Youth Corps workers make the transition from a temporary summer job to permanent work, according to an announcement by Governor

James Blanchard.

The private employers participated in job fairs where Youth Corps workers learned about businesses, filled out applications for jobs and had interviews.

In addition to the job fairs, each Project Stepping Stone site held workshops focusing on identifying job resources, preparing resumes, preparing for interviews and building self-esteem.

In 1983, more than 10,000 Youth Corps workers took part in a similar project.

In another effort to place people in jobs, the Governor announced the Michigan Employment Security Commission (MESC) will commit its employment services resources to finding jobs in the private sector for 20 percent of the 7,000 Project Self-Reliance participants, persons involved in the state's new welfare reform program.

A.R. Jazowski, acting director of the MESC said the agency's statewide network of job service offices will be fully participating in the effort to find permanent jobs for the people referred to the MESC from the project.

The program, which began in April as an experiment to find better ways to help welfare recipients find employment and get off welfare, offers volunteers the opportunity to trade their public assistance checks for temporary minimum wage jobs in the community and the hope of a permanent job in the private sector.

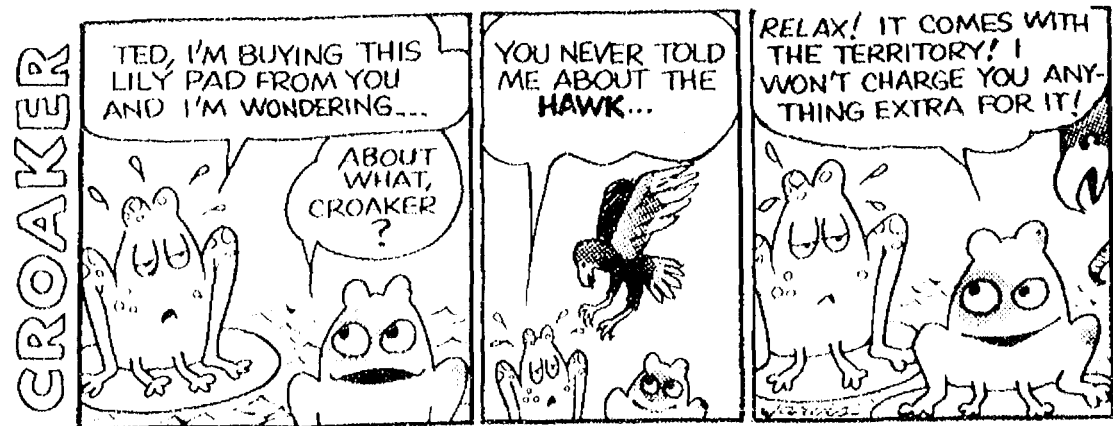

Blanchard said that in addition to MESC's commitment to find jobs for 1,400 program participants, his office and staff of Project Self-Reliance will be contacting the business community and the community at large to help in placing persons.

He said the goal of the program is to help all 7,000 individuals in the private sector, enabling them to become free from dependence on welfare and to achieve economic independence.

K mart Store To Open Thursday

Grayling Welcomes New K mart

When it opens in late September, the K mart discount department store on S. Grayling in Grayling will incorporate K mart's new interior design for the 1980s.

Part of a nationwide effort to align K mart's product and presentation with the changing tastes of America's families, the changes are designed to make shopping easier for both price-conscious and style-conscious customers, according to Manager Leslie C. Felder.

The new look allows the merchandise to speak for itself with modern displays, logical department locations and a unified color scheme.

The Grayling store will have more hanging displays than K marts opened in the two previous decades. These fixtures will show off the fronts of garments rather than the shoulders. Counter heights have been raised from 4½' to 6', creating room for abundant supplies of merchandise on the selling floor.

The apparel side of the store will be divided into departments that clearly define the merchandise categories for customers. Female shoppers, for instance, will readily find fashion wear, sportswear, maternity fashions, full-figure clothing, lingerie, intimate apparel, hosiery and fashion accessories.

The apparel selection will focus on quality, value, favorable prices, strength in both basic and seasonal assortments, and correct styling, fabric and colors.

Among the fine-quality labels in the women's apparel departments are Hunter's Glen sportswear, Jonathan Logan career and casual wear, T.R. Bentley upgraded career looks and Playmate coordinates and underwear.

Apparel and accessory departments for men, girls, boys and infants will reflect similar revisions. The footwear department will offer a wide range of sport and fashion shoes for the entire family.

Felder said many other departments of the Grayling K mart store reflect the high value that K mart customers place on home ownership.

For example, Kitchen Korner offers an abundance of attractive and functional goods for cooking, entertaining and gift-giving. The merchandise includes versatile food processors and simple saucepans, all chosen to appeal to gourmet cooks as well as frozen-dinner chefs.

A Home Care Center caters to the growing market of do-it-yourself homeowners with a variety of products to help customers complete most common home improvement projects.

In its Domestic Center, K mart has added upgraded soft goods for bed, bath and table at affordable prices. These products respond to the modern shopper's desire for fashionable home accessories. In addition, a crafts section offers a variety of leisure-time projects for creative customers.

A Home Electronics Center brings current technology within reach of K mart customers at competitive prices. Home computers and software anchor the department, which also sells video cassette recorders and tapes, telephone equipment, name-brand audio products, microwave ovens and televisions.

While the components of the Grayling K mart are part of a nationwide program, Felder said each store is stocked with merchandise that is most wanted by local customers.

And underneath all the physical innovations, "Satisfaction Always" will remain an important K mart goal.

K mart Believes in Customer Satisfaction

Their customer's goodwill is a primary consideration in K mart's merchandising philosophy. K mart has for 21 years maintained a tradition of customer satisfaction. Standing behind its merchandise, K mart's reputation for "Satisfaction Always" ensures timely and cheerful exchanges, exchanges and refunds.

In addition, such services as a Layaway Plan add convenience to the purchase of large-ticket items and to holiday planning. Available in every department, the Layaway Plan allows any item to be held for up to ten weeks with a 10% deposit, with payments of either 10% weekly or 20% bi-weekly during that time.

"Our customer is first. A happy customer returns - again and again."

Community To Benefit From New K mart

Over half of the American population has been inside a K mart at least once during the last month. Why? Maybe it's because they already know what you're going to find out at this week's Grand Opening. They know they'll always find a wide variety of quality merchandise at consistently low K mart prices. And they know that K mart is committed to customer satisfaction. In short, they believe in K mart. And we know you will, too. That's why we've made a commitment to Grayling. Not only by hiring locally, but by sponsoring special activities within the community. Bake sales, fund raising, senior citizens' activities and many other special community events will be a part of your new K mart.

Festivities Mark Grand Opening

Fun, prizes, and blue-light specials will highlight the Grand Opening festivities of the new K mart discount department store in Grayling. A ribbon-cutting ceremony will begin the exciting three-day gala at 9 a.m. Thursday, September 20, at the main doors of the new store.

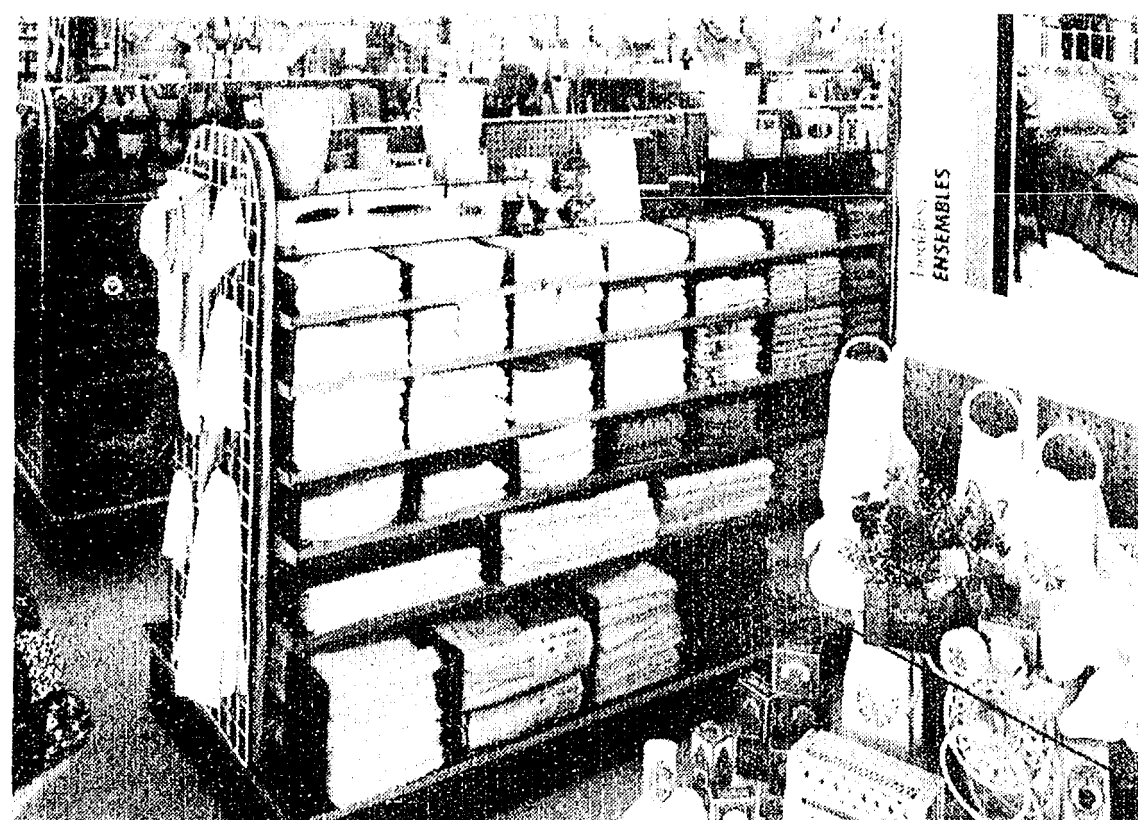

Against a spirited background provided by the Grayling High School band, colorful clowns will entertain youngsters and present free K mart T-shirts, K mart buttons, K mart baseball caps, candy, and balloons (while supplies last). Radio station WGRY will broadcast live from the store during the opening celebration.

Throughout the store "Blue Light Specials" will be featured along with many free samples, interesting product demonstrations, and much more.

All in the community are invited to attend the opening ceremonies and to be among the first to inspect the new store.

New Interior Design

Store to Highlight Special Departments

Domestic Center

A walk through the new K mart is truly a tempting shopping experience: K mart has changed considerably over the past 22 years and the store includes departments like the Domestic Center not found in most other K marts. Here are the gracious touches for bed, bath, dining that make a house a home, grouped in fashion color displays that offer smart decorating ideas. Bed linens in deep tones, pastels or country prints from Dan River, Cannon, Steven's, Danville, Pacific and St. Mary's; luxurious toweling, elegant bath accessories, kitchen attire, curtains and draperies, a needlework nook - all are here in the Domestic Center.

Kitchen Korner

In the K mart of the 80's with its innovative "store within a store" layout. Kitchen Korner is always a busy area. Its cheerful poppy red, beige and white color scheme with crisp block-letter signs sets off rows of attractive cookware, flatware, crystal, stoneware and china, and accessories. The emphasis is upon good design and fashion color. Brand names like Revereware, Farberware, Normandy porcelain ware, Anchor Hocking, Corning, Oneida and more, are available to equip today's kitchen for today's versatile, savvy homemaker, and set the stage for gracious entertaining.

New Store's GM Brings Expertise, Enthusiasm To Job

K mart Corporation has named Leslie C. Felder general manager of the new K mart discount department store on S. Grayling Rd. in Grayling. The store is to open September 20th.

Felder comes to his new assignment after serving as manager and merchandise manager of a K mart store in St. Clair Shores, Mich. for two years. Previously he was manager of two K mart stores in lower Michigan. He has also been assistant manager of the firm's stores in Michigan.

A native of Detroit, Mich., Felder joined the company in 1974. He holds a B.S. degree from Oakland University in Southfield, Mich.

The new K mart will be under the supervision of Richard O. Williams, vice president of K mart's Central Region, headquartered in Plymouth.

K mart Steps into the Fashion World

The K mart of the 80's has a bright new look - not only in its crisp and modern interior design, but also in its fresh and exciting fashion focus. It has stepped smartly and with assurance into the world of fashion, as name brand apparel in quality fabrics and wanted colors arrives, often daily, at the K mart store. Its aisle of fashion-wear is located conveniently at store center, where the customer can find Active Wear, career separates, jeans and casualwear.

In addition to classic Hunter's Glen women's separates, such name brands as Jonathan Logan, Time & Place, Cache, Changing Scene and Gitano Sport are available in latest designs and color combinations. Jeans are stocked by Calvin Klein, Chic, Jordache, Lee, Sergio Valente, Bon Jour and Wrangler, some with coordinating shirts. Leather, canvas and straw handbags; fashion hosiery by Adolfo, Bill Blass, Danskin and Evan Picone; and other fashion accessories keep the shoppers appearance up to the minute - and at reasonable cost.

K mart also offers attractive uniforms and smocks, pretty Plus Size separates, and smart maternity dresses, jeans and separates.

The men's Casual Living grouping offers comfortable knit shirts and casual slacks in many fashion colors and classic stripes, with jeans by Wrangler, E.S.P., and Knight's Bridge, among others. A wide assortment of dress shirts in white, and classic or fashion colors are displayed at eye-level for easy selection; some shirts, like Private Club, Envoy and Ketch, are available with coordinated ties.

Mix and match separates, dresses, sweaters and jeans in bright colors and fun styles will delight the youngsters, from infant and toddler through teens. K mart's footwear selection is remarkable, with sneakers galore in all size groups, from dainty pastels to rugged sport athletic shoes. Styles range from little girls' Mary Jane patents to dad's work shoes. Brands include Bass, Capezio, Fascinators, Naturalizer, Nike, Dyna Kids, Texas Steer, and more.

For the family that wants attractive, well-made clothing with the look of America on the move, K mart's aisles of fashion are waiting.

Crawford County Board of Commissioners

August 30, 1984 - Regular Meeting
SYNOPSIS

The August 30th meeting of the County Board convened at 9:45 a.m. All commissioners attended but Miller; and four visitors were present at various times.

IN FORMAL ACTION, THE BOARD:

- Accepted the August 14th minutes as presented.
- Reviewed and accepted nineteen pieces of correspondence.
- Adopted a resolution accepting the Mental Health Board's intent to enroll in the Special Fund Account created by P.A. 423 of 1980. A provision of the account is that county financing for Mental Health will not drop below the 1979/80 level.
- Approved the 1984/85 Child Care Fund Plan and Budget Guidelines proposed at \$117,700.00 of this, local revenues of \$6,000.00 are anticipated; with the \$111,700.00 balance to be shared by the State at approximately 50%.
- Approved use of a credit card for travel expense for Ms. Sprague to attend a training session with the tracking dog Lex in Sandusky, Ohio.
- Authorized construction of a 10 x 12 storage building at the Animal Control Shelter. Cost of \$680.24 will be paid from citizen donations.
- Approved reimbursement of \$87.12 to George Rybicki for mileage costs incurred during his work with the Labor Committee.
- Authorized payment of \$20.00 dues to the Magistrates' Association, and \$118.00 for registration and lodging for Magistrate Wyman to attend the Magistrate's Conference in late September.
- Directed the Clerk to reuse tapes of County Board Meetings after having saved them for one year.
- Held a 55 minute executive session to discuss union negotiations.

—Voted to place a proposal for 1/4 mill for two years on the November General Election Ballot for the operation of Hanson Hills.

—Voted to place a proposal for 1/4 mill for two years on the November General Election Ballot for continuation of senior programs under the Commission on Aging.

REPORTS & ANNOUNCEMENTS

Transportation Authority: The need to obtain adequate snow removal equipment for this winter remains a priority.

Commission on Aging: It is hoped that HUD will approve the lease for office space in the City Housing Complex by the end of August. Further changes in C.O.A. membership remains under consideration.

DEPOT PROJECT: The Rotary Club raised \$1,300.00 at their recent depot fund raiser; and has appropriated \$6 thousand for immediate exterior renovation. The roof, then exterior painting are the first and second priorities. A recent change in the law now permits railroads to dispose of property; and the Department of Transportation has indicated willingness to sell the building and property on a land contract.

IDC: Harland asked to be removed from this committee, since it has not been active.

The Sheriff Reported That:

—A deputy did not receive his 1980 cleaning allowance, amounting to \$62.50 on a pro-rata basis.

—The ambulance air conditioning has been repaired at a cost of \$285.00.

—Per previous authorization, the damaged patrol car has been replaced at a cost of \$4,600.00. The damaged auto will be stripped, and advertised for bids with a minimum bid set.

—The main jail renovations required by the Dept. of Corrections are a recreation room, visitors' area and a window in the detoxification cell. Mattis will obtain cost estimates for these projects.

—Also reviewed was damage incurred to a patrol car during a fire run.

NEMCOG: The 1985 NEMCOG Budget has been set for \$260 thousand. Of this, \$89 thousand is Federal, \$100 thousand is State and \$71 thousand is local money from participating counties. Status of NEMCOG staffing, some internal restructuring and several projects were also reviewed.

Consortium: Layoffs have occurred due to lack of funding.

IN OTHER BUSINESS, THE BOARD:

- Heard summaries of the various sessions attended by Mattis and Harland at the MAC Conference.
- Discussed funding for solid waste alternatives, particularly the proposed incineration project at Camp Grayling.
- Discussed the compliance with handicap regulations required to preserve our Federal Revenue Sharing appropriation. Kitchen will gather the information necessary for Crawford to comply with initial phases of the requirements by the Oct. 17th deadline.
- Received an explanation for delays in our computer training program from Dr. House.
- Heard a brief update on road projects underway in Beaver Creek.
- Heard a summary of topics discussed at the recent District Health Conference in Traverse City.
- Reviewed with Don Geiss the status of implementation of the CoPoCo Numbering System.
- Discussed at length a proposed personnel policy for non-union county employees.

Suggested amendments and adoption will be considered at the Sept. 11th regular meeting.

Full text of official minutes is available in the Office of the Crawford County Clerk.

A Decade as a Scout

By Todd Pfaff

My first taste of Boy Scouts was way back in 1974. Actually, I had been in Scouting a couple of years previous to that, what with Cub Scouts and Webelos, but the experience did not really take form until I joined Boy Scouts and Troop 997. In fact, my first actual experience with the Troop was when I was still a member of Webelos Pack 993.

Troop 997, itself less than a year old at the time, had invited the Webelos to spend a December Saturday with them at Wilderness State

Park near Mackinac City. For the Boy Scouts, it was a weekend of fun and relaxation, as the boys fathers took care of all the cooking. For that bunch of young Webelos, it was an adventure. For the next few years, this outing became an annual activity for the troop, alternating between Wilderness and the Pigeon River State Park.

Troop 997's first meetings were held in the old Knights of Columbus Hall, but, because of the growth of the troop, and through the kindness of Loren Goodale Jr., 997 moved to the place that would become its home for the next several years, the Scout Hall which is located in the rear of the Goodale's Bakery building.

At the time that that bunch of young Scouts attended their first meeting, 997 was populated by boys who were much older, and much more experienced. And it was that experience that helped the Troop climb to one of the top competitive Troops in the Lake Huron Council. But let me say, that this is not all that helped Troop 997 become as great as it once was. It was the great dedication of a group of those Webelos that joined the Troop way back in 1974. And it was the even greater dedication of those who have given so much to the Troop in the terms of time and knowledge, those like LeRoy Rettell, David Avis and countless others.

But it didn't take just dedication to hold the Troop together through those years, it took something greater, it took loyalty. A loyalty to the Scouts, and to Scouting itself.

As I have said, I have been involved with the Scouting movement in Grayling for ten years. Those years gave me not only one of the best experiences of my life, but it also left me with some memories, some great, and some sad. I did not only gain knowledge that I may not have gotten elsewhere, but I gained the friendship of many people. And I think that my membership in Scouting, from being a Cub Scout to being Asst. Scoutmaster of Troop 979 gave me a more positive way of seeing myself.

Just as circumstances caused the forming of Troop 997 a little more than a decade ago, giving young boys a new direction to go in Scouting, they called for the formation of Troop 979. And just as 997 had their years of glory, I would like to wish Scoutmaster Loren Goodale III, and those Scouts who have joined him to give this new troop life, as much, if not more success in the future of Troop 979.

COOR Free Meals, Free Milk

C.O.O.R. Intermediate School District today announced its policy for Free Meals and Free Milk or Reduced-Price Meals, for children unable to pay the full price of meals and milk served under the National School Lunch, Special Milk Program and U.S.D.A. Donated Foods Programs.

Local school officials have adopted the following family size and income criteria for determining eligibility.

TOTAL FAMILY SIZE	A. SCALE FOR FREE MEALS AND FREE MILK	B. SCALE FOR REDUCED-PRICE MEALS
1	6,474	9,213
2	8,736	12,432
3	10,998	15,651
4	13,260	18,870
5	15,522	22,089
6	17,784	25,308
7	20,046	28,527
8	22,308	31,746
Each additional family member	+2,262	+3,219

Children from families whose income is at or below the levels shown are eligible for free meals or reduced price meals.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the C.O.O.R. Intermediate School District office. This information may be verified at any time during the school year. Applications may be submitted at any time during the year. To apply for benefits, households should complete the application provided by the school and return it to the school as soon as possible.

For the school officials to determine eligibility, the household must provide the following information listed on the application. Names of all household members; social security numbers of all adult household members or an indication that the household member does not possess one; total household income by source for each household member; and the signature of an adult household member certifying that the information provided is correct. Households are required to report increases in household income of over \$50 per month or \$600 per year and decreases in household size. Food Stamp Program households may provide their case number instead of income information on the application.

To discourage the possibility of misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished in the application is true and correct. An additional statement is added to warn that the application is being made in connection with the receipt of Federal funds, that school officials may verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable State and criminal statutes.

In most cases, foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals for them, they should follow the instructions provided on the application and contact the school if

Children of unemployed parents may qualify for free or reduced price meals if total family income including welfare payments, unemployment compensation and sub-pay benefits fall within the prescribed family income guidelines.

Under the provisions of the policy Acting Director of TMI/SMI will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he or she may make a request either orally or in writing to Mr. George Johnson, C.O.O.R. Intermediate School District, 11051 N. Cut Road, Roscommon, MI 48653, phone (517) 275-5137, for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

In operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age, or handicap.

If any member of a household believes he/she has been discriminated against, he/she should write immediately to the Secretary of Agriculture, Washington, D.C. 20250.

Vikes Are Off and Running, Beat Big Chiefs Team 20-8

VIKINGS RUN WILD — Jon Nicholas, 44, turns the corner to scamper
for a 12-yard gain Friday against Cheboygan. Rodney Patterson rushed
for 168 yards and Nicholas gained 82 on the ground as Grayling churned
out 256 yards running. (Jon Thompson Photo)

By Jon Thompson

Rodney Patterson ran for
168 yards, made a spectac-
ular diving catch on a 35-yard
bomb, and scored a touch-
down to lead the Grayling of-
fense to a 20-8 win over Class
B Cheboygan.

Mick Lovely, Mike
Wakeley, Lance Davis, and
Kevin Hudson joined with
Patterson on defense to
spearhead a team effort
against the big Chiefs. Cheboygan played lineman
weighing 240 and 230 pounds
while Grayling's biggest
player was 185 pounds.

Playing on a slick field in a
drizzle that downplayed
Grayling's team quickness,
the Vikings nonetheless
struck first according to
their game plan.

"We wanted to stop
Cheboygan and score first,"
head coach Bill Klinger said.
"It's important to get on top
first against a good club like
that."

After Grayling stopped
Cheboygan's first
possession, the Vikings went
quickly downfield on Patter-
son's 35-yard diving catch.
Gregg Burns then outfoxed

his defender in the end zone
catching a pass just as the
defensive back turned
around to see where the ball
was.

Grayling's extra-point
kick just missed and
Cheboygan came back to
march all the way downfield
to Grayling's one yard line.
Tom Miller came up with a
big fumble recovery just out-
side the goal to stop Cheboy-
gan.

Grayling took a 6-0 lead in-
to halftime as the drizzle
continued on and off.

Klinger said his team
made one adjustment during
halftime on the running
game and the Vikings came
out rushing. With Nicholas
and Patterson hitting for big
gains, Grayling moved to the
Chiefs 15 where quarterback
Jeff Branch hit Patterson
with a 14-yard strike. Patter-
son completed the drive with
a one-yard plunge and Kevin
Hudson kicked the extra
point to make it 13-0.

Grayling fans started the
victory cheers when Kevin
McDonough ran back an in-
terception 19 yards for
another Grayling touch-
down. Hudson again added
the extra point to give Gray-
ling a 20-0 lead.

Cheboygan hung tough and
put together a scoring drive
late in the third quarter.
Their two-point conversion
put the game within reach
again, but the Vikings kept
them away from the goal the
whole fourth quarter.

Grayling also drove down
the field behind the offensive
line of Ron Wyman, Scott
Schwartz, Riley McNamara,
Todd Whitcher, Lance
Davis, and Pete Huss and
ran off seven minutes on the
clock after Cheboygan's
touchdown.

"That was a big posses-
sion," Klinger said. "If they
had stopped us, the momen-
tum might have changed and
there was plenty of time
left."

Klinger said he was
pleased with the total team
effort by Grayling and
credited Chad Swander,
Jack Clark, Larry Duvall,
Claude Halstead, Darryl
Jones, and Scott Wyskiel for
their part in practices play-
ing the Cheboygan offense.

Grayling plays at
Petoskey Friday.

Mercy Hospital Sponsors Freshstart

Grayling Mercy Hospital
will be sponsoring the Fresh-
start stop smoking program
the evenings of October 9, 10,
16 and 17 at 7:30 p.m., in the
Roscommon County Commu-
nity Center in Houghton
Lake.

The free four part pro-
gram, developed by the
American Cancer Society,
will provide smokers with all
the essential information
and strategies needed to stop
smoking. The program will
also contain activities that
are helpful to smokers who
are trying to quit.

To register for the Fresh-
start Program, call Mercy
Hospital at (517) 348-5461,

American Legion Auxiliary News

By Laurie Jensen
P.R. Director

Grayling's Unit #106 held
their monthly meeting last
Wednesday evening with 10
members in attendance. It
makes one wonder with a
group that has 100 members,
where the other 90% were?
Can anyone give us an idea
as to why the attendance
level is only at 10% or some-
times less? We could guess
until we are blue in the face
but we are coming up with
blanks. Ladies, as you can
tell by my articles we are
moving ahead and bettering
ourselves in every area but
attendance at meetings and
help on our projects. What do
we need to do? Give a call to
our President, Sharon Rubey
at 348-7795 or myself at 348-
3118.

Coming up on Saturday,
October 6 we will be having a
Roast Beef Dinner down at
the Post. The time has not
been set as of yet but I will
let you know when it is.

All recipes must be in to
the Post by this Friday, Sept.
21. Ladies we need all of our
recipes that you can find.
Wouldn't you like to share
some of your favorites with
everyone? Please show your
support of the Auxiliary and
get these recipes in so that
hopefully we will have a nice
cookbook put out by us.

Fall conference is October
19, 20 & 21 in Alpena. We are
sending President Sharon
Rubey and Secretary
Roselyn Johnson this year.
We should be hearing good
reports when they return.

Remember to pay your
dues. If you pay them now,
we could get them into
Department, receive credit
for our Unit and hopefully
win 1st Place. We are just
barely at the 50% mark.
Thank's for your help. Let's
win 1st Place!

The Post has one member
in the V.A. Hospital in Sag-
inaw, Al Livrance. We all
hope that you get well real
soon.

ness Association & M.D.A.

JONES FROM THE LINE — Viking guard Erin Jones tries a jump shot
from the foul line in Grayling's opening game of the year. Jones scored 11
points in Grayling's second game against Roscommon. (Jon Thompson
Photo)

Girls Beat Rosco 35-28

By Jon Thompson

All-league center Kris
Laudenslager scored 15
points and had 13 rebounds
to lead Grayling to a 35-28
win over neighboring rival
Roscommon.

Laudenslager scored 11 of
her game-high 15 points in
the first half to give the
Vikings the lead and team-
mate Erin Jones took over in
the second half. Jones finish-
ed with 11 points and six
steals.

"Kris played an excep-
tional first half," said head
coach Tom Mills, "and Erin
played one of her better ball-
games."

"On defense, we played
better than our first game,"
Mills said. "Offensively, we
moved the ball better and
got the higher percentage
shot, but we only shot 45
times for the whole game.
Part of the lower number of
shots can be attributed to
Roscommon keeping us off

the boards and it was also a
slower tempo game."

Mills would like to see his
team fast break more and
the Vikings will be working
on that when they meet
Oscoda there Tuesday, Sept.
18, and Houghton Lake there
Thursday, Sept. 20.

Against Roscommon,
Grayling led 12-4 after one
quarter and 18-4 at half. By
the third quarter Grayling
opened the lead to 29-20 and
remained in control the final
eight minutes.

Heidi Derenzy scored 4
points for Grayling, Michelle
Moore 3, and Michelle Bar-
ber 2 to go along with

Laudenslager and Jones.
Shawn Denton, Dawn
Phelps, Kim Springer and
Audra Small came off the
bench to contribute to the
win.

Grayling shot 30 percent
from the field and a poor 40
percent from the free throw
line. Last year's Vikings shot
63 percent from the line but
the 1984 Vikings have had
two straight bad perfor-
mances at the charity stripe.

Good Shape

According to a recent
survey, 88 percent of Ameri-
cans think they are in good
to excellent health. Half

Completes Marine Training

Marine Pvt. James D. Piper, son of James L. and Doreen I. Piper of Route 1 Bradford Drive, Frederic, and 414 E. Main, Gaylord, has completed recruit training at the Marine Corps Recruit Depot, San Diego.

During the 11-week training cycle, he learned the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

Dr. Matias Joins Milltown Clinic

Irineo Matias, M.D. has opened an office in the Milltown Clinic in Grayling. Dr. Matias, a general surgeon, began seeing patients September 11, at the clinic. He will be performing surgeries at Mercy Hospital where he has been on staff for the past three years.

Dr. Matias received his medical training in the Philippines. He completed his surgical internship, residency and one year fellowship in pediatric surgery at William Beaumont Hospital in Royal Oak, Michigan. Dr. Matias has been in private practice in Gaylord for the past 12 years.

"We welcome Dr. Matias to our community and look forward to his increased involvement on the Medical Staff of the Hospital," said Jim Packard, vice president for planning and marketing. Appointments may be made to see Dr. Matias in Grayling by calling 348-5033.

Car Wash

Mt. Hope Lutheran Youth group is sponsoring a car wash on September 29 from 10 a.m. to 1 p.m. at Bill's Standard Station. The Youth group will be welcoming the Confirmation class into the group at this time.

The cost is \$2.00. In conjunction with the car wash, the Grayling Ministerial Association is having a Book Fair and Author's Celebration at the "Holidome" in the Grayling Holiday Inn. A free coupon for the car wash can be obtained there upon request.

Has Campaign Rhetoric Confused You?

Here are some facts about how Congressman Don Albosta stands on issues:

TAXES

- **Co-Sponsored** H.R. 15 (PL 98-67) Repealing the 10% Withholding on interest and dividends.
- **Voted Against** the 1984 Tax Bill (H.R. 4170) which increased taxes by \$50 Billion on poor and middle income people.
- **Introduced** H.R. 5440, the Taxpayer's Procedural Safeguard Act that curbs collection abuses by the IRS and brings fairness back to our U.S. Tax Code.

BUDGET

- **Co-Sponsored** H.R. 6066, a Balanced Budget Amendment that requires the President to submit and Congress to enact a Balanced Federal Budget.
- **Voted For** House Concurrent Resolution 280, the "Pay As You Go" Budget Resolution, which calls for limiting spending to the amount of revenues received.

MICHIGAN

- **Changed** the highway formulas to bring Michigan an extra \$350 Million in Federal highway and bridge funds over a four year period.
- **Successfully pushed** through H.R. 3678, the Water Resources Development Act, preventing the diversion of any water from the Great Lakes without Michigan's consent.

AGRICULTURE

- **Authored** the bartering program involving the exchange of U.S. Agriculture commodities for strategic materials, minerals and oil needed from other nations for our National Defense stockpiles. This was included in the 1982 Farm Crisis Act.
- **Successfully pushed** through H.R. 4072, the Agriculture Adjustment Act of 1984, to provide \$100 Million in increased export credit funds to help sell U.S. Farm Commodities around the world.

DEFENSE

- **Voted for** the Defense Authorization Bill that provides both quality training of the Armed Forces and reduces wasteful spending practices.
- **Successfully increased** funding in Title 3 of the Defense Authorization Bill for training of military personnel and upgrading equipment to strengthen America's National Defense.
- **Supported** and voted for the Defense Spare Parts Procurement Reform Act to require competitive bidding on military contracts to eliminate over charging for spare parts.

Don't let election year campaign rhetoric confuse you, let the facts speak for themselves.

Chamber Chatter

By Staff

Things are really starting to get in motion for Grayling. In fact the saying goes around Michigan that Grayling is the "Hottest" town in the state. They're saying that Grayling is the place to be. Things are happening in Grayling. Some of the encouragement comes from people who have been here before, such as Camp Grayling Guardsmen and their families, people who stopped to visit and see the Fish Hatchery, Hartwick Pines, AuSable and Manistee rivers, etc. So many times people will remember how nice they were treated while visiting and long to return. Grayling has a reputation as being a "friendly" town. These ingredients and the accommodations facilities like the Holiday Inn and other properties that create a convention atmosphere make Grayling conducive to being a convention center. Many communities wish they had as much going for them. Two conventions scheduled by the Holiday Inn include 175 Delegates for the Emergency Service Civil Defense group that opens Monday, September 17, followed by Disabled American Veterans Convention that has 500 delegates beginning September 19. Let us remind you that these numbers represent delegates only and it's safe to assume that at least 50% or more will bring along their spouses. The Holiday Inn has 150 rooms, so you see that all of the local motels will be getting a piece of the action. One other ingredient is the positive attitude of the community towards our visitors. The business places of the community are donating souvenirs (advertising pieces, pens, key rings, combs, matches, brochures, etc.) to put into a package as a gift and remembrance for the delegate from Grayling.

We are also rolling out the Red Carpet for the visit of 400 people on the train "Timberliner" that will visit Grayling on October 13. This is an excursion train from Bay City to Grayling and return. These folks will spend 3 hours with us just eating and browsing around. We encourage our business places to be ready by decorating their places in a Fall Festival atmosphere, pumpkins, corn stalks, etc.

All of these activities are co-ordinated by your chamber of commerce serving all of the people of the community. You can lend a hand by being a member of the chamber. Call for details.

We'll also be welcoming the K mart organization to our community on September 20 - Grand Opening Day.

The newest member to join your chamber is F & R Enterprises, Inc. located at 204 Huron Street. General Manager, David S. Golen is eager to meet the community and discuss the distribution of their protective coatings and industrial chemicals. Welcome aboard, Dave.

Dear Whitey & Friends,
Greetings from the Morningstar's and southern California. As former residents of Grayling, we, like so many others who cannot completely sever the tie, continue to read the Avalanche faithfully each week. Even from long distance and after the fact we keep informed and still feel a part of the old homestead.

In a recent issue, Fay Bovee, made a reference to the fact that she must discontinue her columns of "Bits of Talk", and "Strolling Around Town". Well, I for one am very saddened by this news. Fay, has done a marvelous job for years in helping to make the Avalanche so interesting. I do wish that she didn't have to stop writing but even more importantly, I hope that someone will attempt to pick up where Fay has left off.

It is of vital interest to those of us who cannot visit very often to know what is going on back home. Thank you Fay, for your years of time, effort, and loyalty to your community. You are appreciated!!! Bits of Talk has kept track of a lot of people all across the United States forever and I will miss it.

Now just a few tidbits about our family. Bernie and wife Betty are busy building a new house near Flagstaff in Sedona, Arizona. Connie and husband Jim and son Sean are enjoying a new house here in Hemet. Janice and husband Ron are surviving the summer heat in their pool in Palm Springs.

Grandma and Grandpa Carlson, (Lois's parents), just celebrated both 80th birthdays and 60 years of marriage. They look, feel, and live like 60 year olds. My husband Mike and I are enjoying our 5 month old daughter, Amy Joy Boulan, who was born April 14th, 1984. Amy weighed 9 pounds at birth. She is the only baby in the family and just a little bit spoiled.

Soon it will be 3 years since mother passed away, Sept. 22, 1981. I thought it would be nice to remember her to the Avalanche and her beloved town of Grayling. All letters are welcome and will be answered. Thank you for the space. Until next time.

Sincerely,
Rhonda Morningstar Boulan
and Family.

City Council Proceedings

Meeting called to order by Mayor Thompson at 7:30 p.m.
Members present: Thompson, Latuszek, Sloan, Golinick, Sabin.

Members absent: None
Also in Attendance: Allen V. Schreiner, City Treasurer; A.D. Sorenson, Mr. Chet Johnston and Ms. Florence Mautsatson of American Family Assurance Company.

Motion by Latuszek, supported by Sabin that the minutes of the meeting of August 13, 1984 be approved as presented. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Citizens who wish to speak. There were no Citizens who wished to speak.

Communications were received and noted. None.

Old Business

Discussion of the American Family Insurance proposal was resumed from last meeting.

Motion by Thompson, supported by Sloan that the salesman from American Family Life Assurance be permitted to solicit the city employees and that payroll deductions be allowed to cover premiums. Ayes: 4, Nays: 0, Abstain: 1 (Sabin), Absent: 0, motion carried.

New Business

Mr. Schreiner reported on the 1984 Street Construction Project. The paving has been almost completed and only finalization of the project and acceptance by the engineer and the city remain.

He presented invoices from the contractor and the engineers and recommended approval of both.

Motion by Latuszek, supported by Golinick that contractors estimate No. 2 in the amount of \$122,661.82 be approved and paid to Gilliland Construction Co. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Motion by Sabin, approved by Sloan that the invoice from Richards & Associates for Engineering Services thru August 20, 1984 be approved for payment in the amount of \$6,810.25. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Mr. Sloan asked about the topsoil which has been placed behind the curbs. He stated that perhaps in the future we should alter the provisions of the contract to include new topsoil. He also asked if the Minutes could be researched to determine what directions Council had given in the past about this subject.

Mr. Thompson reported on a complaint received from Mrs. Carolyn Boone about a fruit seller using property along the Business Loop to sell produce. He noted that on advice of the City Attorney there is nothing which could be done. The vendor in question leases the property from the owners and as a consequence becomes a taxpayer by virtue of the rentals paid. Mr. Golinick suggested that any signs placed should be off of the highway right-of-way. Mr. Thompson replied that the question of signs could only be settled by the M.D.O.T. Council directed the City Treasurer to request the Police Chief to contact the vendor and have his signs be set off of the right-of-way.

Reports of Councilmen.

Ms. Latuszek reported that, contrary to her previous request, she will not require a leave of absence.

She also asked about potholes on Elm Street.

Mr. Sloan suggested that perhaps Reports of Councilmen should follow the Reports of the City Manager because sometimes questions are asked which the City Manager is going to cover in his reports.

Motion by Sloan, supported by Thompson that Reports of Councilmen be changed to follow Reports of the City Manager. Ayes: 3, Nays: 2, Absent: 0, motion carried.

Mr. Sabin re-emphasized Ms. Latuszek's comments about Elm Street potholes. Mr. Sorenson suggested that the best approach would be to remove the sealcoat and replace with gravel. Council agreed with this and asked Mr. Sorenson to contact a source of supply for the machine to do this.

The large hole which occurs in the alley behind Mac's Drug Store was mentioned by Mr. Sabin. He felt that some long term solution should be tried rather than having to constantly be placing gravel there.

Motion by Sabin, supported by Golinick that the blacktop contractor be hired to blacktop an area about 50' by 20' of the alley behind Mac's Drug Store to eliminate the problem of the hole which develops there. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Mr. Sabin suggested that Council consider an underground sprinkling system to be installed at City Hall along with some flowering trees and shrubs to make City Hall a show place for the community. Mr. Schreiner was directed to discuss the matter with the City Manager and report to Council.

Mr. Sabin requested a sidewalk survey be made to know what needs to be repaired and what should be constructed new.

Mr. Sabin suggested that it would be a good policy to try to purchase a few new Christmas decorations each year to augment those which the City already has. Council agreed that we should try to do this.

Reports of City Manager. None.

Adjournment.

Motion by Golinick, supported by Thompson that the meeting be adjourned. Ayes: 5, Nays: 0, Absent: 0, motion carried.

The meeting was adjourned at 8:30 p.m.

Allen V. Schreiner
City Treasurer

Road Commission Minutes

August 10, 1984

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairperson Kraus presiding. Present were: Chairperson Kraus, Commissioners Grover Cason and Norman Parker, Engineer-Manager John Keir and Acting-Secretary Joanne Turner.

The minutes of the previous meeting of July 27, 1984 were read. Commissioner Parker made a motion to accept the minutes as read, seconded by Commissioner Cason. All voted in favor, minutes approved.

Payroll Voucher Number 16 in the amount of \$21,901.19 and Material check numbers 8180 through 8235 in the amount of \$17,302.65 were presented to the Board for approval of payment. The Board reviewed the submitted material and Commissioner Cason made a motion to approve the vouchers for payment, seconded by Commissioner Parker.

At this time the Bids were opened for Bituminous Paving. The bid results are as follows:

Alpena Paving Co.	\$116,640.
Bolen Asphalt Paving.	105,360.
Central Paving Co.	105,644.
Peninsula Asphalt Corp.	112,840.
Rieth Riley Construction	126,124.

The Bid was awarded to Bolen Asphalt.

Mr. and Mrs. Carl Golinick appeared before the Board regarding the construction in Karen Woods Subdivision.

Andie Neilson, Chairman of Roads & Bridges, approached the Board regarding Road Commission policy on speed limit signs.

Engineer-Manager Keir informed the Board that the bids are due August 24, 1984 for bituminous paving for M-93 shoulders from the Michigan Department of Transportation.

There being no further business before the Board a motion was made and seconded to adjourn the meeting. All voted in favor, meeting adjourned.

Joanne Turner
Acting-Secretary

August 14, 1984

Commissioners Gloria Kraus, Norman Parker and Grover Cason and Engineer-Manager Keir attended the South Branch Township regular meeting.

An open discussion was held on possible local road improvements with information being shared regarding how other townships finance their share of projects.

Grayling Community Education To Sponsor 12th Travel Series

The 12th Annual Grayling Travel and Adventure Series, sponsored by the Grayling Community School Program, will get underway on Thursday evening, October 4 in the Grayling High School Auditorium with an exciting film of Ireland. That will be followed by five other full-color, true-life adventures narrated alive and in person by nationally recognized personalities of the film-lecture world. Those films will include such fascinating subjects as Egypt, Wild Canada, Bavaria, Switzerland and Central Africa.

Season tickets are now available from the Grayling Community School Office and may be ordered by mail utilizing the order blank provided at the end of this article. Single admission price for the Grayling series will be \$3.00 at the door. Adults may however, purchase six admissions for only \$14.00 while students and senior citizens may purchase their six-admission season pass for only \$10.00.

Hearing on State's Roads, Bridges, Sewers, and Other Public Works Scheduled Here Sept. 20 at Armory

Governor James Blanchard has called for seven public hearings throughout the state to hear citizen input on rebuilding state roads, bridges, sewers, water lines, and other public works.

A hearing at the Armory at Camp Grayling will begin at 9:30 a.m. Thursday, Sept. 20. Blanchard said the goal of the public hearings is to hear ideas from local citizens, business leaders, and government officials concerning state public facilities.

Roaring 20's Ice Cream Social Sept. 22 To Help Hanson Park

A Roaring 20's Ice Cream Social will be held from Noon to 6 p.m. Saturday, Sept. 22, at Hanson Park featuring several antique cars on display and live entertainment by the Milltown Music Makers, Kay Gay, the AuSable Dixieland Band, the Flappers, and other local talent.

Horseshoes, volleyball, cards, ping pong, and other indoor and outdoor games and contests will be held and lots of food and ice cream will be on hand. Admission to the ice cream social is by donation. All proceeds go towards keeping Hanson Park operating. The fundraiser is sponsored by the Hanson Hills Citizens Advisory Board, which was established to help the park continue operating.

Shekinah

Airport

(Continued from Page 1)

to be careful not to ignore our responsibility to these people."

Despite the current funding problems, Frederick said the future of Grayling McNamara Airport could be bright. The facility has a number of attributes which should assist it in attracting regularly scheduled service from one of the smaller airlines in the next five years or so.

The location of existing highway systems, the long concrete runways, and the military's operation of a control tower during the summer months are among the attributes which could make Grayling attractive to a small air carrier wishing to serve the region.

Frederick stated: "The trend in the industry is toward smaller aircraft serving regional markets. If this trend continues, and we concomitantly turn some of our problems into advantages, then with our already existing attributes, Grayling will be the logical choice for the location of this increased level of air service. However, our ever achieving this type of service is totally contingent upon our solving our most pressing problems in the here and now. When this type of company comes looking for a location in this region, they will be looking for a facility that is ready to serve their needs. I don't think they will be looking for one that is willing to get ready."

When Frederick was asked what his most immediate objective was he responded: "If the community and its leaders can be convinced that the airport is an economic asset and not a liability, then everything else will fall into place. With the increased level of business and air ambulance flights this should be becoming increasingly self evident."
